

## NORTH LANARKSHIRE

We provide a wide range of flexible support throughout North Lanarkshire, enabling people to make the most of their tenancy, promoting independent living, enhancing existing skills and helping in the development of new skills and resources. This enhances citizenship and enables progress towards recovery.

There are two Supported Living Services in North Lanarkshire currently:

- **Airdrie (Henderson Street)** – with an office at 41 St Andrews Gardens, Henderson Street, Airdrie. This Project can be contacted on **01236 751 012** or **01698 351 212**. The service aims to support people who experience mental ill health, in their own homes, living with relatives or carers, moving from Hospital or Institution into their own tenancy.
- **Wishaw (Glen Road)** – located at 69 Glen Road, Wishaw ML2 7NP, this Project can be contacted on **01698 351 212**.

**Wishaw Supported Accommodation Project** – also located at 69 Glen Road, Wishaw. It can also be contacted on **01698 351 212**. This Project is a well-established Community Resource for people with mental health issues, which is in the process of enabling its tenants to move to the community with the guidance and support required.

- The Managers of both services are in the process of negotiating service developments, with the support of the Directorate and our partners in the Statutory Sector.
