

WESTERN ISLES

In Stornoway we currently provide Supported Accommodation for two residents, a Drop-In centre for service-users and/or relatives, and a newly developing Housing Support service which is reaching out to other members of this island community.

We are planning a strategic review of these services, in order to develop a fully integrated mental health support network throughout Lewis, Barra and Harris.

You can find out more about Penumbra in the Western Isles by contacting our Development Co-ordinator on Tel: **01851 706360**.
