

# SDS and Penumbra evaluation report 2017

A summary of how we have supported the implementation of SDS

**1620** people were supported by Penumbra across Scotland in July 2017\*

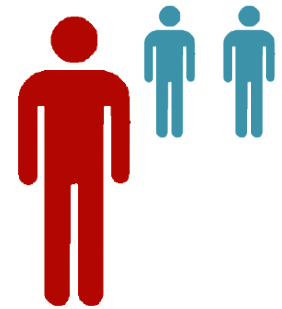

Penumbra use the outcomes focussed assessment **I.ROC** and **HOPE Toolkit** to support outcomes and recovery

**213** supported people had accessed Penumbra support via SDS\*

The I.ROC **Self Management** indicator had the greatest positive change for those accessing SDS in Penumbra\*

**Almost 1/3** of people in Penumbra had accessed SDS **option 2**\*

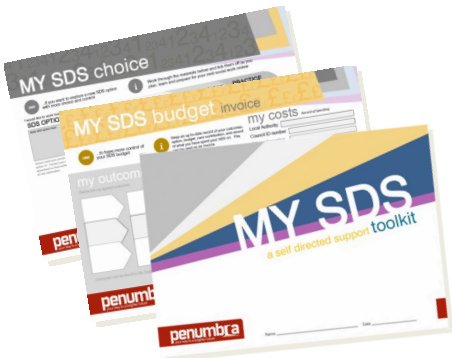

Penumbra has made lots of **SDS resources** including SDS videos and leaflets

# I.ROC

Development of a **MY SDS Toolkit** for supported people and professionals

**4** Supported people have joined our new **SDS Peer Network**

**11** **Wellbeing Points** have been set up in communities and services
